

IMPLEMENTATION CHECKLIST

Back to Basics 201

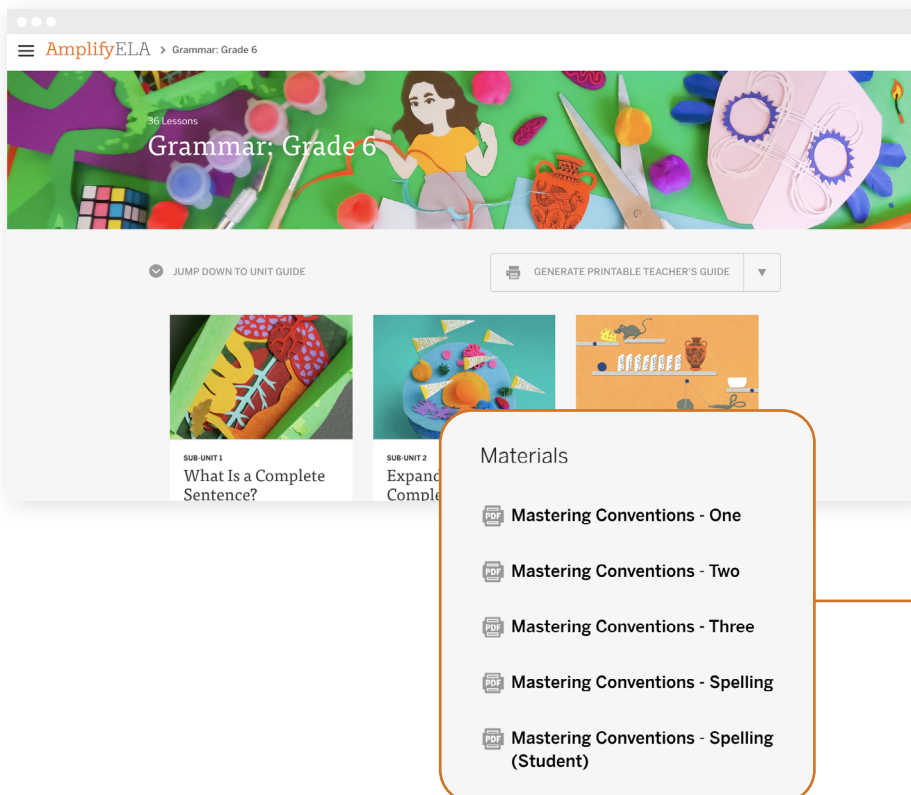

Amplify ELA

Use this checklist as a refresher on what we covered in the session to help you implement Amplify ELA in your classroom.

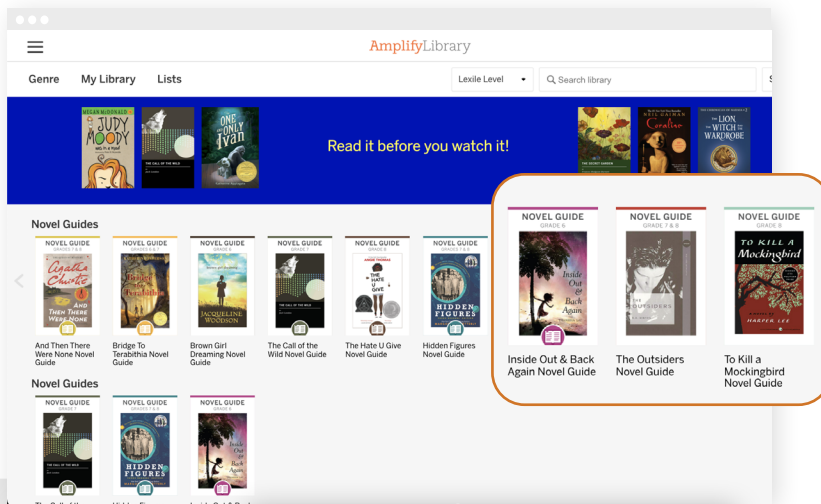

1. Navigate to the **Story Writing Unit**, and locate the **Materials** section. Download the teacher and student instructional material PDFs.

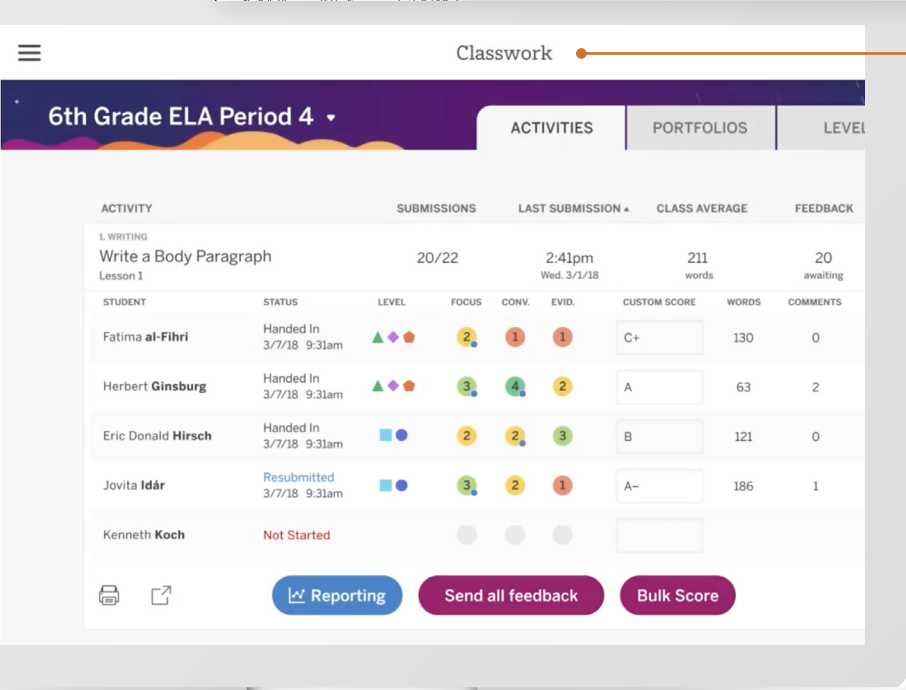

If you need help, just click on the **Amplify Chat icon** in the bottom right-hand corner of your screen.

2. Navigate to the **Grammar Unit**, and locate the **Mastering Conventions** PDFs in the Materials list. Review the Table of Contents from one *Mastering Conventions* packet to better understand the instruction included in these resources.

3. Find and select a Novel Guide in the **Amplify Library**. Open a Novel Guide by clicking the **Start Reading** button. Once opened, review the Table of Contents and locate the page numbers on which the student activity pages can be found.

4. Open **Classwork**, and find a writing assignment your students have completed. Find one student's work, and leave a comment for them. You can learn more on this feature in this [short video](#).
