# Step 1: Accessing the Amplify ELA Florida Edition curriculum

To access many of the resources shared here, you will need login information to Amplify's curriculum. You will receive your login information from your district administrator.

Digital Shared Access
If you're waiting for your login information, we're providing you with **immediate instructional support** through temporary, shared access to the platform. This will assist you in planning your first weeks of school instruction as well as provide **temporary, shared access** for your students to begin taking advantage of Amplify ELA learning opportunities.

For digital access to Amplify ELA material and digital support login:

1. Open an **Incognito Google Chrome** or Safari web browser
2. Visit learning.amplify.com
3. Select "Log in with Amplify"

Login credential for digital shared access for Amplify CKLA:

- Teacher username:
  t1.ela-fl_quickstart@demo.tryamplify.net
- Teacher password:
  Amplify1-ela-fl_quickstart

- Student username:
  s1.ela-fl_quickstart@demo.tryamplify.net
- Student password:
  Amplify1-ela-fl_quickstart

Important to note

- These demo accounts expire on: **October 31, 2022.**
- We recommend students utilize the shared login for access to the program and the library. However since it is a shared demo account, other students will be using the same credentials. Therefore any work completed in the program while using this account will not be saved and will not be available for review.
